Google Summer of Code

April 30, 2026

To Whom It May Concern:

Google is pleased to let you know that Pushpender Singh has been accepted to participate in the Google Summer of Code 2026 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Pushpender will participate as a GSoC Contributor beginning May 25, 2026 and ending on August 24, 2026, developing open source software for Metasploit. Pushpender is expected to spend appoximately 175 hours working on their project. Pushpender will work from home on their project and will not be required to visit either Google or the offices of Metasploit.

More information on Pushpender Singh's project can be found at: https://summerofcode.withgoogle.com/programs/2026/projects/l9bwLvDN. The program is administered by Google, Pushpender Singh will not be directly employed by Google during participation in Google Summer of Code.

This letter serves as official proof and verification of Pushpender Singh's acceptance into Google Summer of Code 2026. Alternate proof cannot be provided. However, Pushpender may, subject to their mentor's approval, make adjustments to the start and end dates of the program, and their mentor may offer to provide verification to supplement this letter.

To learn more about the GSoC program visit our website https://g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com

Best,

Stephanie Taylor
Google Summer of Code Program Lead
